# Sheraton Maui Resort

2605 Ka'anapali Parkway,  
Lahaina, Maui, Hawaii 96761  
866.500.8313

The craftsmanship of old Hawai'i reveals itself in lamps of bamboo design, patterns recalling block prints on kapa, and rattan chairs drawing on the peacock shapes of ancient thrones. So join us in Hawaii for a luxurious event.

Sheraton Maui Resort & Spa is a smoke free resort.

**Seamless Check-In:** The seamless check-in process takes you straight from your car to your room without having to stop at the Front Desk. Bell staff will assist you to your room while acquainting you with the resort, connecting you to the history of the area and pointing out the highlights of the property. When you are more settled, you can check in at the Front Desk, at your leisure, to provide an imprint of your credit card.

**Check in Time:** 3:00 pm **Check out Time:** 11:00 am

**Cancellation:** In order to receive a full refund, you must cancel your reservation, with your reservation number, 7 days prior to your scheduled check in date. To avoid an early check out fee, notify the hotel of any change to your check out date before checking in.

Rates are subject to current taxes and fees of 12.41%; a Daily Resort Fee of \$8.33 will be charged; there is an optional Maid Gratuity of \$2.00.

### ***Microorganisms and Air Filtration***

Dr. Hector N. Valtierra  
Professor of Microbiology  
and General Biology  
Southwestern College  
Department of Biology

Airborne microorganisms play an important role in air filtration. Of the five major pathogen groups (viruses, bacteria, fungus, helminths, and protozoans), four of these have been demonstrated to be transmitted via the aerosol route. This presentation will be a primer on these pathogen groups. Discussion will also highlight the role of air filtration as presented in the joint NIH/CDC publication *Biosafety in Microbiological and Biomedical Laboratories*.
